PC Software Government* Prices

Effective January 1, 2008

These prices reflect a 10% discount off our commercial pricing.

Simulation Software

SLX Professional $5,400

Our top-of-the line extensible modeling platform that you can tailor to meet the needs of high-end, unique simulation applications. Very powerful and unbelievably fast.

GPSS/H Professional   3,600

An industry workhorse since 1977. Extremely fast execution; unlimited model size

Personal GPSS/H   1,800

Includes the same features as GPSS/H Professional, but is limited to small-to-medium-sized models.

Animation Software

Proof 3D $2,250

New for 2008, Proof 3D is our top-of-the line animation software. Proof 3D can be used to visualize simulations developed with a wide variety of simulation tools, including tools from other vendors. Proof 3D provides smooth, realistic motion of large numbers of objects. In both post-processed and concurrent modes.

Proof 5   1,550

New for 2008, Proof 5 is the successor to our popular P4 2D animation software. Proof 5 provides a lower-cost alternative to Proof 3D

Service & Support

Prices include service for one year from the date of purchase. Service includes assistance and support via e-mail and includes any new minor software releases at no additional cost. Fax/phone charges outside North America may be billed to the customer at Wolverine's discretion.

After one year, major software upgrades require additional payment.

Updates are posted on www.wolverinesoftware.com.

Shipping

Prices include 2nd day shipping to U.S. destinations, and air parcel post to Canada. Overnight shipping to U.S destinations and all shipping to other countries are billed at UPS cost.
